## INDUSTRIAL DEVELOPMENT PROMOTION

Our efforts in this regard consist of encouraging American firms to consider the distribution of their products in Alberta, the possibilities of having their products manufactured under license in Alberta, or the establishment of a branch office or plant in Alberta through joint venture with another Alberta company or through its own efforts. These companies are sought out at trade shows, seminars, word-of-mouth and referrals. Often American companies seek us out.

## TRADE PROMOTION

Under this category, this office is interested in arranging the sale of products made in Alberta to local buyers. In this regard, our office works in conjunction with the local Canadian Consulate and Trade Commissioners office. In addition, this office acts as a point of contact or liaison between companies and parties, both private and government in Alberta and California. We assist Alberta companies in choosing appropriate trade shows to either view or exhibit their product.

A review of these activities for the last six months follows:
